

WHEN THE SUN RISES IN VEGAS ON APRIL 10<sup>th</sup>  
KEYSCAN WILL INTRODUCE AURORA,  
THE FUTURE OF ACCESS CONTROL

With the launch of Aurora, Keyscan innovation will signal the dawn of a new age of Access Control. Fuelled by 25 years of research and development, Aurora's new features, enhanced capabilities and expanded capacity, eclipse industry standards. Aurora is the software platform that anticipates the evolving needs of our industry.  
The innovation continues...

**To receive a demonstration, visit Keyscan  
at ISC West, Booth #14087**
